Inovasi Solusi Muda - Sidoarjo, Indonesia   Jul 2024 - Jun 2025

Frontend Developer

- Developing responsive web interfaces using React.
- Collaborating with UI/UX designers to translate designs into functional code.
- Ensuring cross-browser compatibility and performance optimization.
- Utilizing frameworks like React and Next.js for efficient component-based development.

Gear Inc - Surabaya, Indonesia   May 2023 - Jan 2025

Content Moderator

- Responsible for the content safety of short video products, ensuring their legal compliance.
- Reviewing Online Videos//Content/Complaints/Legal Notices received from the end customer on any incorrect decisions taken related to their copyright work/material.
- Resolving 400-500 content cases every day.
- maintain performance accuracy above 95% each week.

Project Experiences

- **InvoiceKu – Invoice Management Apps**
  Developed an invoice management application to streamline billing processes for freelancers and small businesses. Implemented features such as client and product management, recurring invoices, and automated PDF generation for reporting. Utilized Next.js, Express.js, PostgreSQL, and Tailwind CSS for fullstack development. Through this project, gained hands-on experience in authentication, database design, and clean UI/UX implementation. [Link](#)

- **Postify – Article and Blog Website**
  Created a blogging platform that enables users to write, manage, and publish articles with ease. Implemented authentication and CRUD operations for posts. Leveraged Next.js and Tailwind CSS for the front end, while using Backendless as the backend service. Successfully delivered a responsive and scalable content management system with minimal backend setup. [Link](#)

- **PT Ikan Dorang – Company Profile**
  Designed and developed a professional company profile website to showcase business identity, services, and product offerings. Focused on responsive design, smooth navigation, and performance optimization to improve customer engagement. Built using Next.js and Tailwind CSS to ensure scalability and maintainability. The website enhanced the company's presence and branding. [Link](#)
